

## **Shepherd Notes**

Communion has been celebrated by virtually every branch of Christianity over the last 2000 years. Some call it the Eucharist, others the Lords Supper and others Communion. It is a ceremony that both unites and divides Christians. It expresses our common faith in Jesus Christ; yet, at the same time, various aspects of the ceremony have caused enormous controversy. At NLCC we observe the Lord's Supper as a time to reflect on how and why God saved us. It is a time to reconnect with God and with one another. I'm grateful for the chance to celebrate it with you today.

Always pulling for you,  
Pastor Luis

## **Based on today's message how would you answer the following questions?**

1. Read 1 Corinthians 10:16-17 What are we committing to by participating in the Lord's Supper?
2. How should we prepare to take the Lords Supper? Can anyone take it? What is the expectation?
3. What would you say to someone who says "I don't feel worthy of taking communion today?"
4. Twice in this passage Jesus urges us to use the elements of the Lord's Supper to "*remember Him*". What exactly does this mean?
5. What is the most memorable communion service you've participated in? What made it so special?
